PROFESSIONAL PROFILE

Funmi Akingbade is a columnist, author and sexual health consultant. Through her Sex and Sexuality column and a variety of other platforms-media, seminars, workshops, boat cruise, among others- Mrs Akingbade has carved a niche for herself as the woman to look on to when it comes to issues relating to the place of sex in marriage and among intending couples. Through her practical counseling sessions, she has been able to restore broken homes and bring alive relationships that had been written off as hopeless.

ABOUT CAFI

At CAFI, we offer essential services that help in bonding marriages, educating and informing couples about sex, sexuality and sexual health matters. Couple's Alive Forum International has been able to carve a niche for herself as the resource place to go when it comes to issues relating to holistic, healthy and Godly sex in marriage and among intending couples in my country and the world at large. We have been able to restore broken homes and bring back and alive relationships that have been written off as hopeless. At CAFI meetings, I share my thoughts about how couples can preserve their marriages, making it solid-bound, romantic and hot within the boundaries of the marriage bed.
